DRUNK, BAT ON STOVE.
 Fred W. Edwards found in bad shape by Employer—Taken to Hospital.
 First Selectman E. P. Chesbro was notified Tuesday afternoon by Fred R. Eaton that a man was in bad shape in a shanty building on Mr. Eaton's property. Mr. Eaton, who lives on the line in this town, Mr. Chesbro investigated and found that the man was Fred W. Edwards, a resident of this city for the past twelve years, who has been working for Mr. Eaton. The facts seemed to be that Edwards was intoxicated Monday, and either sat upon or fell against a hot stove in the shanty, burning himself severely. Instead of notifying anyone, he stumbled over to his bunk and lay down upon it, covering himself up with rags. Mr. Chesbro had the man removed to St. Joseph's hospital in this city. Edwards has a wife and several children in Willimantic. It is said that the man is suffering from a severe case of scarlet fever.

ST. MARY'S HALL DEDICATED.
 Crowd Inspects New Structure and Attends Enjoyable Entertainment.
 St. Mary's hall, the new hall of St. Mary's parish of this city, was dedicated Tuesday evening, a large number taking advantage of the occasion for inspecting the new building, which was erected the past fall to replace the wooden structure burned early in the summer. The hall is a handsome structure, with four classrooms on the ground floor, which are used in connection with the parish school, and an auditorium or meeting hall on the second floor, with a stage, two dressing rooms, and arrangements for the meeting of the various societies and organizations of the parish. The hall was attractively decorated Tuesday and Wednesday evenings by the members of the parish, who attended the exercises, which consisted of short remarks by Rev. J. J. Papillon and Rev. C. J. Lemieux, and some of the prominent members of the parish. The four act historical drama, "Anne of the Virgin," was excellently given by the members of the Sodality of the Blessed Virgin.

 Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! Get a small trial bottle of old, honest "St. Joseph's Oil" from any drug store, and after using it just once you'll forget that you ever had backache, lumbago or sciatica because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 50 years.
